AQUARION WATER COMPANY OF NEW HAMPSHIRE, INC.

Request for Change in Rates

Procedural Order Re: Proposed Amended Procedural Schedule

On October 12, 2021, Aquarion Water Company of New Hampshire, Inc. (Aquarion), with the assent of the parties, filed a letter requesting approval of the following proposed amended procedural schedule:

Technical Session/Settlement Conference	December 6, 2021
Technical Session Data Requests	December 7, 2021
Responses to Technical Session Data Requests	December 14, 2021

In its letter, Aquarion stated that approval of the proposed procedural schedule would resolve a scheduling conflict on November 10 with Docket No. DW 21-090, which involves many of the same parties as in this docket. If approved, the procedural schedule would partially amend the procedural schedule approved on March 24, 2021.

It has been determined that the proposed amended schedule is in the public interest and, therefore, the foregoing amended procedural schedule is approved. The remainder of the current procedural schedule shall remain in effect until further order. In the future, requests for Commission action must be filed as a motion or petition, consistent with the Commission's administrative rules.

So ordered, this nineteenth day of October, 2021.
