Petition for Approval of 2021 Qualified Capital Project Annual Adjustment Charge

Motion to Amend Procedural Schedule

Dear Chairman Goldner:

Please accept on behalf of the Department of Energy the attached motion to amend the procedural schedule in the above-captioned docket.

On January 19, 2022, the Commission issued an order scheduling a hearing in this matter for March 16, 2022. The parties had requested that the merits hearing be scheduled on March 15, 2022. The Department is unavailable on March 16, and therefore, requests that the hearing be scheduled on either March 21, or March 22, 2022. Pennichuck East Utility, Inc. has represented to Staff that its witnesses are available on these two days.

Consistent with the Commission's *Temporary Changes in Filing Requirements* (March 17, 2020), this letter is being filed solely in electronic form.

The Department requests approval of the motion. Thank you for attention to this matter.

Respectfully,

/s/ Suzanne G. Amidon
