**Procedural Order Re: Record Requests**

The Commission requests Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, Public Service Company of New Hampshire d/b/a Eversource Energy, and Unitil Energy Systems, Inc. (together, the Utilities) to collaborate and provide a coordinated and coherent set of responses to the following record requests on or before the close of business on April 11, 2023:

1. Record Request 1 (RR-1): Provide the following information in one submission, with one tab for each individual utility:

		Residential Default Service Price (\$/kWh) (a)	Market Price (\$/kWh) (b)	Semi-Annual Residential Volume (kWh) (c)
2018	1*			
	2**			
2019	1*			
	2**			
⋮				
2023	1*			
	2**	N/A	N/A	N/A

\* 1 = First successful RFP for the year. The Commission notes the information in column (a) may match column (c) for Liberty for 2023.

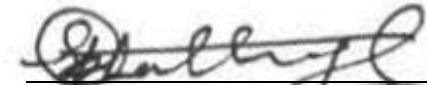

\* 2 = Second successful RFP for the year

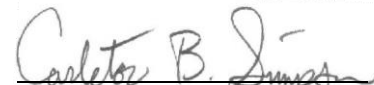

Responses are requested in Live Microsoft Excel.

2. Record Request 2: The Utilities are requested to present the information from RR-1 in graphical format in the same Excel tab that the data for that utility is provided (see instructions in RR-1). The Utilities are to provide clear charts representing the following (discrete jump-line charts are recommended):
- individual utility load-weighted average semi-annual prices against the corresponding load-weighted market prices for that same period;
  - an average-of-averages of load-weighted average semi-annual prices across the Utilities plotted against the corresponding load-weighted market prices for that same period;
  - a plot of the difference (or delta) between the load-weighted average semi-annual prices and the corresponding load-weighted market prices for that same period.

So ordered, this fourth day of April, 2023.
