Dear Governor Sununu:

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

**I urge the PUC to accept this Settlement Agreement.** I serve on the Energy Committee of my town. We are currently negotiating with the developer of a Community Solar project, which would be of great benefit to residents of our community, especially those with fixed or limited incomes. If the Settlement Agreement is not ratified by the PUC, this promising initiative will not come to pass.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

Gerald Burns

Marlborough, NH
