Good evening, Governor Sununu,

(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement. I sincerely want to see New Hampshire transition to clean energy and solar should be a huge part of that. Without net metering the solar industry will grind to a halt, lose time and staff, and may never be able to start up again. Please help prevent such a wasteful and foolish outcome!

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

Sarah Stinson
