Governor Sununu,

(cc: NH-PUC, NH-DOE)

As a New Hampshire homeowner who is looking into solar energy to stabilize and offset my electricity costs, having net metering options is critical to me.

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

**I urge the PUC to accept this Settlement Agreement.**

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Thank you for your time and attention to this important issue!

Sincerely,

April Galarza
