Subject: SAVE NETMETERING! PUC Docket DE 22-060

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement.

If YOU remove netmetering, I will not be able to afford adding solar to my property to help with energy costs. I ask that you Accept the Settlement Agreement.

Yours,
