---

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

**I urge the PUC to accept this Settlement Agreement.**

Adding solar will no longer be an option for me if you remove netmetering, Please accept the Settlement Agreement!

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Respectfully,

Chris Manning-Gray
