Subject: Net Metering in NH (PUC Docket DE 22-060)

Dear Governor Sununu:

I understand that the NH Public Utilities Commission may release an Order concerning changes to the current net metering tariff structure. I also understand that there is a proposed settlement agreement filed by Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I respectfully urge the PUC to accept this Settlement Agreement. It's only fair that homeowners like us who installed solar on our home receive reasonable compensation for the power that we send back into the grid.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

Thomas Stockton
