Subject: Support for CPCNH Proposal in Net Metering Docket (PUC Docket DE 22-060)

I recently learned that the NH Public Utilities Commission will soon issue an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by several parties in addition to other proposals offered by the Community Power Coalition and the NH Department of Energy.

I urge the PUC to accept this Settlement Agreement with the proposed modifications by the Community Power Coalition of New Hampshire.

As a net metering customer, I would like be able to participate in the Langdon Community Power program currently being organized in my town. The current situation seems untenable.

Thank you!
