Governor Sununu,  
(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement.

We have enjoyed a home solar pv system on our home here in Gorham since [2017.It](#) helps us make the transition to clean energy. Help us and our neighbors promote energy independence here in the granite state. We don't want our state to fall behind.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Thank you for your consideration of this matter
