Governor Sununu,
(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement.

As a member of the Pelham Conservation Commission, Pelham Forestry Committee, owner of a solar array and owner of an electric automobile, I respectfully request that you support this Settlement Agreement as it will help move NH to a clean energy future.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,
Paul Gagnon
Pelham NH
