Greetings,

I believe that the PUC is set to release an order, re: PUC Docket 22-060, on changes to the Net Metering Tariff structure.

I understand that a settlement has been reached among the investor-owned electric utilities, Clean Energy NH, CLF, and the NH Hydro Assoc. with the Office of the Consumer Advocate.

I urge the PUC to accept this agreement. Please ensure that my comments are entered into the docket by the PUC clerks.

Respectfully,

Linda J. Haskins
