Request from: Office of Consumer Advocate

Request:

Refer to the direct testimony of Joint Utilities, page 18, lines 19-22; and page 19, lines 1-4. Please provide, for each utility separately, the number and capacity (in MW) of customers that have submitted a net metering application and are currently waiting in the interconnection queue, separately for:

- a. Small customer-generators (i.e., less than or equal to 100 kW).
- b. Large customer-generators (i.e., greater than 100 kW and up to and including 1,000 kW).
- c. Customer-generators greater than 1,000 kW.

Response:
