RE: DE 23-023 New Boston Community Power Plan

Dear Chairman Goldner,

Attached please find the New Boston Community Power Plan approved on February 13, 2023, and updated July 1, 2024. The principal reason for the update is to remove a services provider from the document at their request and mutual agreement, and has no impact on the principal services provider, Standard Power, or the existing program. This approved plan and attachments replace the documents previously filed with the Commission.

The new municipal contact for questions about the plan is: Carl Weber, Town Administrator, 7 Meetinghouse Hill Road, New Boston, NH 03070, (603) 487-2500 x 121, c.weber@newbostonnh.gov.

The Town is also here notifying the NH Department of Energy, the Office of the Consumer Advocate, and the distribution utility serving the town, Eversource.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Carl Weber
Town Administrator
