**Re: DE 23-081 Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Request for Approval of Revenue Decoupling Adjustment
Status Report**

Dear Chairman Goldner:

As the Commission requested in its August 1, 2024, procedural order, and on behalf of Liberty Utilities (Granite State Electric) Corp., I write to inform the Commission that the parties expect that the remaining issues in this docket related to the 2022-2023 RDAF year will be addressed and resolved in the comprehensive settlement agreement being negotiated in the Company's pending rate case, Docket No. DE 23-039. And as stated in the status report being filed in DE 23-039 today, subject to final issues being resolved, the parties are working toward filing that settlement agreement in the coming weeks.

Thank you.

Sincerely,
