

STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION

Docket No. DE 23-081

LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP.
d/b/a LIBERTY

2022-2023 Revenue Decoupling Adjustment Factor – Decoupling Year 2

Assented-to Motion to Continue August 7, 2024, Hearing

Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, through counsel, respectfully moves the Commission to continue the August 7, 2024, hearing scheduled in the above matter because the parties have made substantial progress on a settlement agreement in the Company's pending rate case, Docket DE 23-039, which agreement, if finalized, will likely include terms that resolve the remaining issues in this docket.

The Company respectfully suggests that, if a settlement agreement is filed in DE 23-039, the Commission could reschedule this hearing for a date on or after the date that is scheduled to review the DE 23-039 settlement. The Company further suggests setting August 30, 2024, as a date for the Company to file a status report in this docket.

The Department of Energy and the Office of the Consumer Advocate assent to the relief sought in this motion.

WHEREFORE, Liberty respectfully requests that the Commission:

- a. Continue the August 7, 2024, hearing; and
- b. Order such further relief as may be just and equitable.

Respectfully submitted,

Liberty Utilities (Granite State Electric) Corp., d/b/a
