RE: Docket No. DE 23-091, Public Service Company of New Hampshire, d/b/a Eversource Energy, Petition for Adjustment to Stranded Cost Recovery Charge Chapter 340 Adder Termination Under Order Nos. 27,053 and 27,066 Revised Filing Following Commissioner-Attended Technical Conference

Dear Chairman Goldner:

Public Service Company of New Hampshire d/b/a Eversource Energy (the “Company”) hereby submits this filing in compliance with the Commission’s Order No. 27,053 (August 30, 2024) and Order No. 27,066 (October 16, 2024). The enclosed amended Tariff pages and accounting schedules, showing related calculations and allocations, are intended to implement the Commission’s directives in the two Orders and have been revised following the guidance provided during the Commissioner-Attended Technical Conference held on October 28, 2024.

The Company believes that the proposed Tariff amendments, implementing an interim SCRC rate adjustment as of November 1st, and the related schedules, are fully compliant with the two referenced Orders. In particular, the Company has revised the language on Tariff pages 21A and 21B as shown on the redlined pages included in this filing.

The Company respectfully requests that the Commission approve the proposed interim SCRC rate adjustment and Tariff amendments at the earliest possible time, to allow their implementation as of November 1, 2024.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
