**Re: Petition of Pennichuck Water Works, Inc., Pennichuck East Utility, Inc., and Pittsfield Aqueduct Company Inc., for Approval of a Consolidation of Pennichuck East Utility, Inc. and Pittsfield Aqueduct Company, Inc. with Pennichuck Water Works, Inc. Docket DW 23-101**

Dear Chairman Goldner:

On February 28, 2024, Pennichuck East Utility, Inc., Pittsfield Aqueduct Company and Pennichuck Water Works, Inc., (hereinafter “Companies”), with either assent or no objections from Department of Energy (“Department”), Office of Consumer Advocate (“OCA), and Intervenor filed a proposed procedural schedule with the Commission for the pending amendment to the petition in Docket No. DW 23-101 to incorporate the consolidated rate filings from Docket No. DW 23-088. On February 28, 2024, the Companies submitted a letter to the Commission to provide an update that the Companies intend to file the amended petition within seven (7) days. On March 4, 2024, the Commission approved the proposed procedural schedule by procedural order in Docket No. DW 23-101.

On March 5, 2024, the Companies, Department, OCA, and Intervenor (Town of Bedford, Town of Londonderry, and Town of Litchfield) met and conferred regarding the proposed amended petition filing anticipated for March 6, 2024. Given the amended petition filing anticipated on March 6, 2024, the Companies, Londonderry assents and no objections from the Department, OCA, remaining Intervenor and City of Nashua, respectfully move and request the Commission to amend the schedule to hold the Kick-off Technical Session (Virtual) on March 14, 2024 from 1:00 – 4:00pm, instead of March 7, 2024 from 9:00 – 12:00pm. No other changes are proposed to the approved schedule.
