Re: Request for Approval of Lyndeborough Community Power Plan

Dear Chairman Goldner,

Attached please find the Lyndeborough Community Power Plan for review and approval by the Commission pursuant to RSA 53-E:7. The Lyndeborough Community Power Plan was approved by the Lyndeborough Community Power Committee on October 9th, 2023.

The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under PUC 2204.01(a). Once the plan has been approved (or rejected) by the legislative body, majority vote at Lyndeborough Town Meeting and final approval by the Board of Selectmen, the Town will notify the Commission, Department of Energy, Office of the Consumer Advocate, and the distribution utility serving Lyndeborough, Eversource, of such final plan approval or rejection, as required under PUC 2204.01(g).

The municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules is: Russ Boland, Town Administrator, Town of Lyndeborough, 9 Citizens' Hall Road, Lyndeborough, NH 03802, (603) 654-5955 x 223, rboland@lyndeboroughnh.us.

The Town does not maintain a dedicated website outside the Community Power Committee page on the Town website: www.town.lyndeborough.nh.us/community-power-committee. The Town will notify the Commission if such a website is created, as required under PUC 2203.01(e).

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, and the distribution utilities serving Lyndeborough.

Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Russ Boland
Town Administrator
