**Re: Docket No. DE 24-054; Liberty Utilities (Granite State Electric) Corp.
2023 Annual Storm Fund Report**

Dear Chairman Goldner:

The Commission's April 9, 2024, Procedural Order states as follows:

The New Hampshire Department of Energy (DOE) is requested to file [1] a technical statement or report and recommendation, as well as [2] a final audit report, by August 16, 2024. Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty), the DOE, and any interested parties are directed [3] to confer regarding whether additional process and/or a hearing will be necessary in this matter, and [4] Liberty shall report the result to the Commission on or before September 27, 2024. If it is determined that additional process and/or a hearing is warranted, then the parties shall submit either a joint proposed procedural schedule or individual proposed procedural schedules to the Commission on or before October 18, 2024.

The DOE filed a technical statement and the final audit report on August 15, 20-024. The Company accepted and implemented the audit report recommendations.

The parties have conferred, and Liberty now reports that the parties agree that no further process or hearing is required in this docket.

Thank you.

Sincerely,
