Re: Docket No. DE 24-070 - Public Service Company of New Hampshire d/b/a Eversource
Notice of Intent to File Rate Schedules
Request for remote participation for October 8th and 9th technical sessions

Chairman Goldner:

Pursuant to the Commission's direction at the October 2 and 3 technical sessions, Public Service Company of New Hampshire d/b/a Eversource Energy has coordinated with the staff that the company believes most likely to facilitate explanation of the Distribution Solutions Plan portion of the filing and the attendant project categories, as well as the staff best suited to answer further questions about PBR issues.

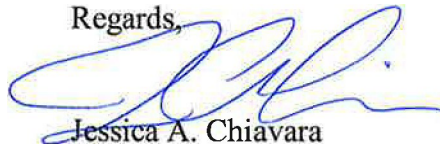

While staff have resolved conflicts to attend the sessions, several are out of state, navigating competing regulatory obligations, or both, and so the company respectfully requests remote access for the following individuals:

- Steven Casey: steven.casey@eversource.com
- Jennifer Schilling: jennifer.schilling@eversource.com
- Shamus O'Brien: shamus.obrien@eversource.com
- Warren Boutin: warren.boutin@eversource.com
- James DiLuca: james.diluca@eversource.com
- Fatou Dieng: Fatou.dieng@eversource.com
- Elli Ntakou: elli.ntakou@eversource.com
- Doug Horton: douglas.horton@eversource.com
- John Dipaola-Tromba: john.dipaola-tromba@eversource.com
- Marc Lemenager: marc.lemenager@eversource.com

Some on this list may be able to attend in person, and all efforts will be made to do so, but out of an abundance of caution remote access would be greatly appreciated. Counsel for the company and the remaining staff will be in attendance in person next Tuesday and Wednesday.

Consistent with current Commission policy this filing is being made electronically only. Thank you for your consideration of this matter.

Regards,

Jessica A. Chiavara
