Re: Docket No. DE 24-070

Public Service Company of New Hampshire d/b/a Eversource Energy
Proposed Procedural Schedule and Request to Set Hearing Dates

Chairman Goldner:

Consistent with the New Hampshire Public Utilities Commission (“Commission”) September 27, 2024 Procedural Order, Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource” or the “Company”), has collaborated with the parties in the above-captioned proceeding to develop a procedural schedule consistent with the Commission’s directives.

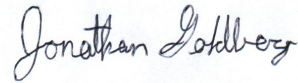

The majority of parties have agreed to the attached jointly proposed procedural schedule, and no party has indicated opposition to the proposed schedule. Specifically, the Department of Energy, the Office of the Consumer Advocate, Clean Energy of New Hampshire (CENH), Community Power Coalition of New Hampshire (CPCNH), Conservation Law Foundation (CLF), Mary Ellen O’Brien Kramer, New England Connectivity and Telecommunications Association, Inc. (NECTA), Walmart, Inc., AARP New Hampshire (AARP), and Aleksandar Milosavljevic-Cook, have each indicated support of the proposed procedural schedule.

As of the time of this communication, the Rate LG Customer Consortium (composed of Hancock Lumber Company, Inc., Monadnock Paper Mills, Inc., Pike Industries, Inc., and the University System of New Hampshire), and Standard Power of America have not affirmatively indicated support or opposition to the proposed schedule.

In developing the procedural schedule, the parties took into consideration New Hampshire recognized holidays, including Martin Luther King, Jr. Civil Rights Day on January 20, 2025, and President’s Day on February 17, 2025, and adjusted the procedural schedule based on these state holidays.

If you have any questions, please do not hesitate to contact me. Thank you for your consideration of this jointly proposed procedural schedule. Consistent with current Commission policy, this filing is being made electronically only; paper copies will not follow.

Sincerely,
