Re: Docket No. DE 24-070

Public Service Company of New Hampshire d/b/a Eversource Energy
Responses to Record Requests Issued in PUC Technical Sessions

Chairman Goldner:

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy (“PSNH” or the “Company”), enclosed are corrected and supplemental responses to the information requests issued by the New Hampshire Public Utilities Commission (“PUC”) on October 3, 2024. These revisions were due to a clerical error whereby the Company inadvertently included the incorrect language for the requests for PUC TS1-002 and PUC TS1-005 (i.e., the questions). The Company’s responses to PUC TS1-002 and PUC TS1-005 have not been revised. In addition, the Company inadvertently filed an incomplete response to PUC TS1-008, which is now being filed as supplemental. The response provided yesterday, inadvertently did not include the final paragraphs fully addressing the last subpart of the information request.

It is the Company’s intention to remedy these errors as expeditiously as possible and the Company requests that the PUC use PUC TS1-002 (Corrected), PUC TS1-005 (Corrected), and PUC TS1-008 (Supplement) during their review process.

Thank you for your time and please contact me with any questions.

Sincerely,

Michael B. Hershberg, Esq.
Jonathan A. Goldberg, Esq.
