Re: DW 24-071 Pennichuck Water Works, Inc.
Petition for Approval of Special Contract with Tyngsborough Water District
Supplemental Rate Information

Dear Chairman Goldner:

On May 6, 2024, Pennicuck Water Works, Inc. (PWW) petitioned the Commission for approval of a special contract with the Tyngsborough Water District. During the course of discovery in this proceeding, PWW found an error in its cost of service study that, when corrected, slightly reduced the proposed rates for the annual fixed charge and the volumetric rate. The attached supplemental petition seeks to alert the Commission to that revision and to update PWW's request for approval of the revised special contract. The supplemental petition also adds further explanation about the Contract Year credits. We hope the Commission finds this supplemental filing helpful.

Thank you in advance for the Commission's assistance with this filing.

Very Truly Yours,

Marcia A. Brown
