To Whom It May Concern,

Lakes Region Water Co. Inc. has contracted to purchase from the Nucar Ford of Plymouth. First vehicle was a Ford F250 Super Duty with vin number 1FT8X2BNoRED33933 and the second vehicle was a Ford F250 Super Duty with vin number 1FT8X2BN9RED35924. At this time, there are no incentivised rates for these particular vehicles with Ford available. We found that the best rate was with Ford Motor Company, at 9.74% for 60 months on both vehicles and were able to further negotiate a rate of 7.74%.

We also looked at another option with Ally Bank. The rate at Ally Bank was 13.34%.

We would do 90% financing of the cost of the vehicles, excluding any dealer fees. There's also a commitment fee of \$600, documentation fee of \$250 and the title fee of \$25 if the dealer doesn't do title. If the dealer does title make sure they add BNH as lien holder so that we don't have them retitle.

Hi Leah,

I did speak with Chris and we could offer a rate of 8% for 5 years on this borrowing.

Let me know if you'd like to proceed and I can send you an application package and any financial information we will need.

Thank you and I look forward to working with you.

Hi Leah,

Thank you for reaching out to MVSb regarding financing options. We sincerely appreciate the opportunity.

As a community bank, we place significant value in building long lasting relationships, and appreciate Tom's long term personal banking relationship. We would like to opportunity to serve the business/commercial banking needs of Lakes Region Water as well.

For the purchase of the two trucks, upon credit approval, we can offer a 5 year fixed rate term at a rate of 9% with the option to finance 100% of the purchase price, no down payment. Please note that there would be a loan origination fee of approximately \$500. Upon approval, I can provide detailed information on the total fee.

Furthermore, we are pleased to offer an incentive. If Lakes Region Water chooses to move its full banking relationship to MVSb within three months of the loan closing, we would be happy to reduce the interest rate to 8% for the remaining term.

Please let me know if you have any questions. Thank you once again!

Sincerely,

Megan
