Re: Unitil Energy Systems, Inc. – DE 24-077 and DE 24-080

Dear Chair Goldner:

On behalf of Unitil Energy Systems, Inc. (“Company”), please find attached for filing revised Schedules related to the Company’s Electric Delivery Charge (“EDC”) filing, DE 24-080. In the process of responding to discovery issued by the Department of Energy, the Company found an error which resulted in a reduction of \$146.97 in the EDC calculation. As a result, the Company includes for filing Schedule DTN-1 Revised. As a result of the change to Schedule DTN-1, the Company also revised the following: JMP-2, page 4, LSM-2, pages 1 and 4, and LSM-4, page 2. This change had no effect on the resulting proposed rate.

Please note that the Company filed these documents on July 23, 2024 along with all hearing exhibits marked for the hearing in this matter on July 30, 2024. The Company marked the revised schedules as Exhibit 5 and the revised proposed EDC Tariff as Exhibit 4. The Company makes this filing now to ensure the documents are clearly filed for the docket in this proceeding.

If you have any questions or need additional information, please contact me.

Sincerely,
