Re: DT 24-084; Telephone Carriers; CAF ICC Data Filings

Dear Chairman Goldner:

In a Procedural Order dated July 16, 2024 in this matter, the Public Utilities Commission (Commission) requested that the Department of Energy (Department) review the filings in this proceeding and provide a recommendation of what action, if any, is required by the Commission.

The filings made with the Commission by Dunbarton Telephone Company and Granite State Telephone, Inc. are made pursuant to 47 CFR 54.304 (d)(1). Eligibility for the Connect America Fund Intercarrier Compensation Replacement is designated by the FCC, and payment to eligible carriers is made by the Universal Service Administrative Company. Such filings with states are essentially informational in nature, and the Department respectfully suggests that no further action by the Commission is necessary.

Consistent with the Commission's current practices this letter is being filed only in electronic form.

Sincerely,

/s/ Paul B. Dexter
