RE: Docket No. DE 24-xxx, Public Service Company of New Hampshire  
d/b/a Eversource Energy, 2024 Transmission Cost Adjustment Mechanism

Dear Chairman Goldner:

Pursuant to Order No. 24,750 (May 25, 2007) in Docket No. DE 06-028, the Commission approved the use of a Transmission Cost Adjustment Mechanism (“TCAM”) rate by Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource” or the “Company”) for the recovery and reconciliation of costs related to transmission-related services. On November 28, 2022, the Commission issued Order No. 26,735, which changed the effective date for the TCAM rate change each year from August 1 to October 1, beginning in 2023. Order No. 26,735 also directed Eversource to file its petition to adjust the TCAM rate during the first week of August each year.

By this letter, Eversource hereby requests that the Commission open a docket for Eversource’s 2024 adjustment to its TCAM rate. Consistent with the new directive, Eversource will submit its TCAM filing during the first week of August. The Company respectfully requests that the Commission schedule a hearing in this proceeding for September 3, 4, or 5, 2024, and issue an order approving the 2024 TCAM rate adjustment on or before September 20, 2024.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

*/s/ David K. Wiesner*
