STATEWIDE LOW-INCOME ELECTRIC ASSISTANCE PROGRAM

2024-2025 Electric Assistance Program Budgets

Procedural Order Re: Liberty, NHEC, and UES Affidavits of Publication

On August 29, 2024, the Commission issued an order, on a *nisi* basis (Order No. 27,052), in this instant docket, approving the Electric Assistance Program (EAP) administrative budgets for the 2024-2025 EAP program year. The EAP program is administered, in part, by New Hampshire's four electric distribution utilities: Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty); the New Hampshire Electric Cooperative, Inc. (NHEC); Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource); and Unital Energy Systems, Inc. (UES) (together, the Utilities).

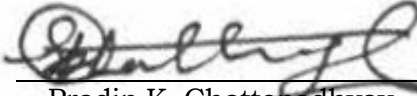

As part of Order No. 27,052, the Commission specified that "...the Utilities shall cause a copy of this order to be published on their websites within two business days of the date of this order, with an affidavit of publication to be filed by each Utility with this office on or before September 12, 2024..." Order No. 27,052 at 4.

A review of the Commission's records in this proceeding indicates that Eversource filed a timely affidavit of publication on August 30, 2024. See Docket No. DE 24-093 at Tab 13. However, no affidavits of publication were filed by Liberty, NHEC, or UES, as of today's date. Liberty, NHEC, and UES are requested to file such affidavits, as required by Order No. 27,052, no later than October 24, 2024. These three Utilities are further urged to take greater care to comply with Commission compliance-filing requirements in the future.

So ordered, this fourteenth day of October, 2024.
