Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 24-102,
November 2024 Monthly Cost of Gas Report

Chair Goldner,

Pursuant to Commission Order No. 27,071 in Docket DG 24-102, enclosed is Northern Utilities - New Hampshire Division's ("Northern") current calculation of its projected over or under-collection of gas costs for the 2024-2025 winter season.

Northern's current calculation of costs has been updated to reflect the Company's revised October 31, 2024 balance and NYMEX futures prices as of November 20, 2024. The updated calculations indicate that a rate change is not required at this time. Support for this decision is provided in the attached summary and tables.
