**Consideration of Changes to the Current Net Metering Tariff Structure, Including
Compensation of Customer-Generators**

**Procedural Order Re: Requests for Remote Participation Filed by Clean Energy New
Hampshire and the Office of the Consumer Advocate**

On August 2, 2024, Clean Energy New Hampshire filed a letter requesting that its witness, Thomas Beach, be allowed to testify remotely on the grounds that he is based in California and it would be costly for him to travel to New Hampshire to testify. Likewise, on August 6, 2024, the Office of the Consumer Advocate (OCA) filed a letter requesting that one of its two witness, Eric Borden, be allowed to testify remotely on the grounds that he is based in California and it would be costly for him to travel to New Hampshire to testify. No party objected to either request. The Commission GRANTS both requests. The filing of a separate request will be required for any other parties or witnesses wishing to appear remotely at this hearing.

In addition to its request for remote participation, the OCA also requested that its second witness, Tim Woolf, be allowed to testify on the first day of the hearing (August 20) because he will be unavailable on the second day (August 22) for personal reasons. The Commission will accommodate this request to the best of its ability.

So ordered, this sixteenth day of August, 2024.
