PENNICHUCK EAST UTILITY, INC.

Petition for Approval of Financing from CoBank, ACB

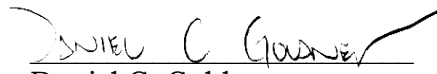

Procedural Order Re: Motion to Amend Petition

On June 18, 2024, Pennichuck East Utility, Inc. (PEU) filed a motion to amend its petition in this docket. PEU represented that neither the New Hampshire Department of Energy (DOE) nor the Office of the Consumer Advocate objected to its motion.

PEU's motion to amend does not specify what amendments it is requesting the Commission's permission to make. Furthermore, the DOE's technical statement filed on June 27, 2024 indicated that PEU's financing request is being reduced from the \$2,068,544 requested in PEU's initial petition to \$1,890,931. See Technical Statement at 1. If PEU is requesting the Commission to order different relief than the relief originally requested, then this change should be reflected in the motion to amend. See N.H. Admin. R., Puc 203.10.

Because it is unclear what amendments PEU is seeking, the Commission DENIES PEU's motion to amend without prejudice. PEU may refile its motion to amend on or before July 22, 2024, in which it specifies what amendments to the original petition are being requested. Although a clearly marked amended petition may be filed, as well as clearly marked updated testimony and exhibits, edited versions of these documents are generally not required.

So ordered, this eighth day of July, 2024.
