Procedural Order Re: Proposed Procedural Schedule

On June 20, 2024, the New Hampshire Department of Energy (DOE) filed a proposed procedural schedule, which it represented was assented to by the parties. The DOE stated that the parties anticipate that this procedural schedule would apply to Docket No. DE 24-080, if Unitil Energy Systems, Inc.'s (UES) pending motion to consolidate both dockets is granted. The proposed procedural schedule would extend the July 16 deadline for the DOE to file its position statement in this docket to July 23, 2024.

The Commission APPROVES the proposed procedural schedule, which currently applies to Docket No. DE 24-077 only. The DOE shall file its position regarding UES's petition in this docket, including the reasons for this position, on or before July 23, 2024.

So ordered, this twenty-first day of June, 2024.
